My father fought in the revolution said a foco faco, the other day, "Which side," enquired one of Harrison's soldiers. The speed of the express add to it by any remarks of ours. The coass of the American people are every where are

LAMENTATIONS FOR THE MOR-

MONS. easy to see that the feelings of this writer for the following extract: were and are against the Christian army, of which General Clark was the accomplished eader, and at the head of which he won a light place in the regards of the citizen solliers of which it was composed. Not a syllable is whispered against the conduct of Clark, in the discharge of the various and responsible duties which were devolved upon him—because, as in the slanders and the clovation mistead thereof, of that individual who has served the Republic honger and better than any other man now living, or than any other who has served and are against the Christian army, of Cottmax, April 6th, 1840.

Dear Sir,—We had to day (although the weather but I have never been an eye witness to them until have never been an eye with the clay against Haumason; and up to perform the city against Haumason; and up to perform the city against Haumason; and up morning they were in high layers of the city against Haumason; and a government every up the city that the city against Haumason; and up to perform the city against Haumason; and up to perform the city against Haumason; and up to perform the city ag his associants. The attempt to excite sympathy for the monneys, and consequent opposition to Clark will meet with no better position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the position to Clark will meet with no better the true spirit of liberty and reform. I presume, in the presume a few more.

Some the toregoing was in type we have a consequent to the following from Jackson. The secret coincide the following from Jackson. position to Clark will neet with no better success. If it was wrong to send an army against those deluded, mischievous, and marderous funatics, the commander-in-clust, who ordered it, and who is a good loco-foco.

The president of liberty and reform. I presume, in due season, they will be published.

A Tippegatine Club was formed with the Hon. D. Todd, as President, with some fifteen or twenty Vice Presidents, all of whom with the exception of answer two, served under Harrison, during the late war, and who affected by the enthusiasm they manifested, and the tears which they shed on this inter-figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the old General, but I'm by demand of Lenn figure of the classics. Our cotemporary inquires of the Central list before him, a Waig Major General to mander. sented by the name of General Harrison?" is about the best evidence of his judgment full of the spirit, that Bonne will give a licing (not We shall form a Harrison Club here on Londay.

We shall form a Harrison Club here on Londay. We will answer it for them, although a portion of one of the subjects of their adadministration. All Clark had to do was

Respectfully yours. &c.

We shall form a Harrison Clab here on Jounday, which will be joined by many of the old Jackson men.

dress appears in our columns of to-day. Ame prudently, galantly—acceptably to MORE GOOD NEWS FROM GEN CLARK. The following is from a gentlemon of the first people. Hundreds of his men differing respectability—a citizen of Lexington—to his peared in the Democrat of Wednesday, did not race. There is hence no danger of its from him in politics think, nevertheless, friend in this place. going into "the House"-the fears and pre-that he will make as good a Governor as he
